Hello from Sierra Rescue!

Thanks so much for your interest in this Swiftwater Rescue Technician Unit 1 Class on the South Fork American River in Coloma, Ca.

MEETING TIME AND PLACE!

9 AM SHARP: We will meet at the Mother Lode River Center in Coloma, CA. We will meet at the picnic tables in the morning for introductions and paperwork and then move to the river . We will be in the water all afternoon; so please be prepared to get in the water the first day.

Class times will be: Day 1: 9 am to 5 pm
 Day 2: 8:30 am to 5 pm
 Day 3: 8:30 am to 4:30 pm

When driving from Sacramento:

Go East on Highway 50. Exit at the N. Shingle Springs/Ponderosa Road off ramp. At the top of the off ramp turn left and go over the freeway. Take the first available right turn onto N. Shingle Road. In approximately 4.5 miles this road turns into Lotus Rd. (you will probably not even know it when it happens). Stay on Lotus Rd until it dead ends at Hwy. 49 (approx. 5 miles). Turn left onto Hwy 49 and you will cross over the South Fork of the American River. Mother Lode Camp is located on the left side of Hwy. 49, 2.3 miles from this bridge and opposite County road marker 26.51. Our physical address is 6280 Hwy 49. Approx. driving time is 1 hr from Sacramento.

WHAT TO BRING!

For the water:

-Drysuit or Full Wetsuit! (Drysuits are always recommended because we spend so much time getting in and out of the water and the weather is always variable)

Drysuits can be rented from:

pacificriversupply.com

Pacific River Supply will ship you the drysuit by UPS and you only pay for the days you use it. Great and easy option.

-PFD Type 3 or Type 5 with whistle and knife (knife optional)

-Helmet: Lightweight swiftwater or climbing helmet.

-Hard soled wetsuit booties or good shoes for walking in the river and on the banks with wool socks and/or wetsuit socks

-Wetsuit gloves (optional)

-Fins (optional)

-Lunch, snacks and water!

-Extra warm clothes

FULL EMERSION!

Please plan on very active days and homework at night. We integrate the classroom stuff throughout the course and you will be in the water the first afternoon. The class will be as much scenario and case study based as possible. We will emphasize self rescue, throw bag rescue, entrapments, thinking through a rescue, simple rope tricks and rescue techniques that have been tested and proven successful in real rescues. Please feel free to let us know what is most important to you as we go through the training.

WHERE TO STAY!

For CAMPING:

You can camp right at Mother Lode River Center! There are grassy spots, platforms and hot showers! The fees are \$10/person per night. Just send us an e-mail and let us know you will be camping; we will take care of the rest. If you arrive the night before the class, you will need to check out the map at the top of the hill and find a comfortable spot on your own. We mostly use the Upper Kitchen for the classes and there are usually many spots to camp in and around that kitchen area.

Mother Lode has asked us to spread the word on a few camp rules: no dogs and no kids under 12 are allowed on the grounds. There are no facilities for motor home camping or hookups. This is a private camping area and is only available to Mother Lode River Trip guests and Sierra Rescue students.

For HOTELS:

You have some choices for accommodations. There are some B&B's and an older hotel right in the Coloma area. The other hotels and eating options are either in Auburn, CA or Placerville, CA. Placerville is about a 20 minute drive and Auburn is about 30 minutes.
